## in loving memory

### **Barbara Richards**

**July 23, 1935 - May 25, 2021**

Barbara was a Bay Rama Committee for over 30 years. During her time with Bay Rama, she served on the board for 4 years (1991-1994) and was the Miss Bay Rama queen's pageant director for many years as well. Barbara was a founding member of the Anchor Bay Community Foundation, a member of the Civic Club, The New Baltimore Lions, and The New Baltimore Goodfellows & Art on the Bay. She was an active volunteer for the New Baltimore Farmers Market, Make a Difference Day, the Friends of the Mac Donald Public Library, the Anchor Bay Kiwanis, and the Anchor Bay Chamber and she served on the Citizens Advisory Board. Barb was a friend to everyone she met and was the unofficial ambassador of goodwill to the New Baltimore area, her memory will live on thru the hearts of those that loved her and we will miss her very much.

### **Michele Anulli**

**August 31, 1970 - January 31, 2022**

Michele was a Bay Rama committee member since 2003, she was elected to the Board of Directors in 2012 and served until her passing. She was the Festival event program designer/ editor, kids game chairperson, and a sponsorship team member. Co-chair for the annual tree lighting and the Pirates and Princess Party. She also helped anybody that needed something during the 5-day festival. Bay Rama was just one of the volunteer groups that Michele worked with. She was also an active member of the New Baltimore Goodfellows and served on the board of the Parks and Recreation Commission. She was Macomb County Volunteer of the Year for 2020 and was everyone's best friend, counselor, sister, and second Mom. To say she will be missed is an understatement, however, the Bay Rama Festival was a passion of hers, so the event must go on!

# Creating Passionate Volunteerism

**Did you know that Bay-Rama is made up of all volunteers?** We would love it if you came to check out one of our meetings to see what we are all about! Our meetings are held monthly on the third Wednesday of the month (except June, July & December) at 7 p.m. at the New Baltimore Civic Club, located at Main Street on the corner of Main & Blackwell. We are always looking for new faces and would love to hear your ideas on how we can grow our festival, events, and community!

As an all-volunteer organization, we are committed to our city and its residents. Bay-Rama has awarded over \$98,000 in scholarship money to Anchor Bay Graduates through our scholarship program as well as Miss Bay-Rama and her Court members. We host the Bay-Rama Fabulous Fireworks display and the Annual Christmas Tree Lighting. Bay-Rama is also involved with several other areas of the community, New Baltimore Recreation Center, MacDonald Public Library, New Baltimore Lions Club, New Baltimore Fire & Police Departments, and the New Baltimore Historical Society to name a few. We have supported the Anchor Bay High School Marching Band, Senior All Night Party, and All Sports Club.

## Bay-Rama Fishfly Festival

### What Bay-Rama has done for our Community

Bay-Rama, Inc. is an organization that exists to raise money to donate back to the community. We are able to do that by putting together our Festival each year. The profits from this festival have enabled us to give wonderful things back to New Baltimore and its residents in the amount of over \$2.1 million to date. We are very proud of this and here are just a few things that we have accomplished:

- We donated the land on which the current beach and playscape are located in Walter & Mary Burke Park, as well as donations to make the restrooms at the park, picnic tables and steel seawall possible.
- Every year our Miss Bay-Rama Queen and her court members receive scholarship money as well as two Anchor Bay High School Graduates. Which totals over \$95,000 donated since the start of that program.
- The annual New Baltimore Christmas Tree Lighting ceremony and Cocoa with Santa is an event Bay-Rama has put on for over 35 years. We have made new upgrades to our lights, ornaments and soldiers, and look forward to keeping the tradition going.
- Bay-Rama, Inc. donated Festival Park to the city. This park is a 31-acre site that has two full soccer fields, four baseball diamonds with new bleacher seating, a practice field, multiple picnic areas, parking, a 1-mile walking path, and in August 2018 we donated a beautiful new playscape. If you haven't seen it, head over to Festival Park and check it out! Stay tuned to our Newsletter, Fishfly Fever for updates on our latest projects. You can register for our Fishfly Fever Newsletter at [www.bay-rama.com](http://www.bay-rama.com).
- In 2021, we donated \$10,000 towards a new Handicap Accessible playscape in Burke Park.

# ANCHOR BAY SCHOOL DISTRICT

## EARLY CHILDHOOD PROGRAMS

Home of the Tiny Tars 2022-2023

Anchor Bay School District is committed to offering high quality educational Preschool and Childcare for young children through a variety of Early Childhood programs. We are proud to say that, as a PreK – 12 school district, we meet the needs of children and assure that the highest quality of standards are met. Whether you are looking for a full day program, a traditional preschool program or a specialized program, we have just what you are looking for. With more materials and supplies than one can imagine, children are constantly challenged and being enriched with vocabulary enhancement, cognitive growth and socialization, as well as practicing and mastering fine and gross motor skill development. Preschool children are exposed to letter and sound recognition, basic math, science and technology concepts.

**Come & Find out What all the Excitement is about!**

**Great Start Readiness Program** is our State funded grant for eligible children to attend a high quality preschool program four full days a week without charge. This program is primarily based on income for acceptance. However, a limited number of spaces may be used for a variety of extenuating circumstances. School bus transportation is available to Anchor Bay residents.

**Full Day Preschool & Childcare** is available from 6:00am – 6:00pm at the Early Childhood Center on Washington Street. The program operates year round but is closed during holiday breaks.

The Creative Curriculum is used throughout the day to promote child-initiated choices, cognitive development and problem solving skills. Our home-away-from-home atmosphere provides a caring, loving, nurturing family-like environment.

**Traditional 3 and 4 year old Preschool** provides children with hands on active learning experiences using the Creative Curriculum model that aligns with the Quality Standards for Early Childhood Pre-Kindergarten. Our outcome goals align with the Anchor Bay School District Kindergarten Standards. We strive to assure that children leave our programs prepared to be successful Kindergarten Learners.

So why not give us a try. We welcome children from all surrounding communities. In Anchor Bay everyone is treated like family.
